Phunchu

Chapter 14

You're
too young to get
blood on your
hands...

We get to
know blood much
too early...

I
don't feel
like getting
blood on such
a lovely
day!

No
such luck...
I absolutely need
your blood before
this rain stops.

If you
want to kill
me, then please
right through
me.

Pierce
it and don't
fail!

You must
do it quickly
so that the
demonic thing
doesn't become
worse of
it!

You're
clever

The
heart is
not
there!

Vile FF says:

So we've picked up Chunichi. Cool, you can never hear [read] have too much material

Daniel says:

Oh look, another member. Enjoy it folks. "Scenes back to talking"

Stedie says:

I know we've announced this project for sometime, but there were lots of factors delaying it. However, now that those are solved, we'll be releasing chapters quite fast. Oh and the pages are small because our news were small and any enlargement would have resulted in a drastic loss in quality. So, joy!

Bulky says:

-eha -gt aa, when are we going to reach the -has stuff?

Kaphan says:

Hi, Kaphan-daru-, usually translator daru- but I was kindly asked to proof-read Ishi's translation of Ishi chapter so here it is, proud to be part of Ishi Strays legend. I hope you enjoy this re-bless daru- (yeah, blame Stedie who wanted me to write a rant o-o)

You
you're
just made
struggling
to survive.

That first man on a summer day, it is
horrible heat. He appeared
before us, his body covered
in wounds, and he started
to measure my soldiers.

I felt sweat
pouring on my
back.

He
appeared
in night
suits of
black. It
was better
example.

The blood colored
dragon that was an
enemy to his sword
fell to his feet. From
the black dragon.

It was an
accused group of a
hundred warriors
who were strong
than dragons.

He had to
escape to protect
the Tachanin. He
was importantly
to save his life.

It's my work
for, had already
defeated me.

After the
experience,
the White Brigade
completely dis-
appeared. It
is said it was dis-
banded due to an
internal conflict.

However...
They're back
in Mexico,
hunting dogs for
all Chuchis

2017

Chuchis,
going to dead
and

Hehehe...
You still have
no intent to
fight.

That cruel
dance alone has
begun to move

...
regarding
me to fight
and tell

But
it's exactly
what the
stone
needs.

This time,
I really pierced
through your
heart!

Devlin says:

What the hell? Somehow I needed to re-write these pages a second time. It's the curse of the season I tell you! He's out to get me! "Twice!"

Devlin says:

Here we go. Pretty fast, ah? Well, we're sorry to get through the end fast and get to the good parts.

LolitaOgat says:

Chapter 16

So how does
it feel having your
heart pierced?

Pretty
exciting, isn't
it?

I
want to
stop!

Stop being
the demon stone's
puppet, unable to act
as I wish, I'm sick
of it.

I shut
out the
unknown dark
power that
from finding
this.

Mother...
I'm alive.

**I SUR-
VIVED!**

The
demon
clone.

Finally it's not
this broken gate we
saw earlier!

What needed to
break to send the
evil demon gate, to
finally understand?

It is only
now that
I understand

...What I should
be for and why
should I serve

1993

No,
this, this is
my will

What's that?
The demon's attempts
finally work up, but it
can't be full
yet

From now on,
the demon stone
won't control me
anymore.

Devlin says:

So I built myself a new patio in celebration of this chapter... well not really, and if I built my patio while reading this chapter it would be all cracked and a no. Ugh, yeah, I was about to mention Sasuke too, but Shikamaru stole that one. Duh.

Shikamaru says:

Whine... whine... Sasuke-kun... oops, this isn't Naruto.

Itachi says:

So you, Itachi from a comic, I decided to help out with Chunichu, since it's pretty cool. A lot of action coming up in the next few chapters, so easy work for me.

Come and speak your mind in the IRC channel, it's fun.

Akiter says:

Author must hate me for filling up much text into those small bubbles...

Devlin says:

Wow, I cleared stuff again. :D

Chapter 17

FOR OF OF OF

EVER SINCE THE RIVER
WILL FLOOD THIS AREA
SOON. WE HAVE TO LEAVE
RIGHT NOW!

We, the Habacks,
are only allowed to live in
certain areas. If we leave this
place, we'll be considered
rebels.

BUT THE RIVER
IS RISING. IF WE STAY
HERE, WE'RE ALL GOING
TO DIE.

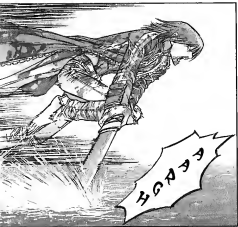

Let's wait.
Uncle Humookai
will come
back....

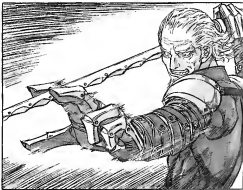

...with the
money that will
allow us to leave
this place.

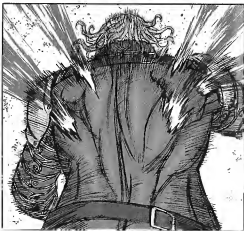

カッ!

Now you
won't be able to
use your speed
anymore...

Tranche says:

Finally a new chapter. Let's hope for better references next after I finish my course. Oh yes I HATE exams.

Daisy says:

I'm in the mood for love. Let me squeal into a tight chongchon and we may commence.

Dennis says:

Yell is up with the H-bled?
Strange bastard. Anyway, I got a new computer in 2 weeks, going to be inactive until then.

WHO
THINK
ONLY OF
THEM-
SELVES!

I... I promised
to stay alive.

But...
This is impossible.
This guy, he's a
real demon!

I sur-
vived!

Trunks says:
I have no time, not even to give a rest

Henry says:
(absolutely nothing. What is he
saying?)

Seidner says
Huh?

LolitaOgar says:
Again. I came back from some
event and get something like this
thrown into my lap

Alder says
(Alder is still sitting while thinking of
a rest)

CHAPTER 19

DO YOU
KNOW WHY
THE WHITE
BRIGADE DO
SO FRONT-
ENDING?

THE
BACKSPOY-
DANG HAVE AN
INTERESTING
LAW.

WHICH
LAW?

TO KILL THE
PREY ONCE
IT'S BEEN
IDENTIFIED.

DON'T
THAT
OBTAIN?

NO, IT'S
NOT THAT
SIMPLE. IF YOU
FAIL TO KILL
THE TARGET,
ANOTHER WILL
COME RUNNING
TO ACHIEVE
WHAT YOU
COULD NOT.

TSAK

STONK

...AND IF
THE SECOND
FAILS, A
THIRD WILL
COME.

THAT'S WHAT
THE ENTIRE
WHITE BRIGADE
IS FOR.

THAT'S JUST HORRIBLE. HE HAS TO FIGHT AGAINST A HUNDRED OF WARRIORS AND MOST OF THEM ARE TERRIFYING MONSTERS!

IN OTHER WORDS, IF ONE OF THEM IS AT RICHMOND, IT MEANS THAT THE REST OF THEM ARE THERE AS WELL.

THIS LAW IS A THOUSAND YEARS OLD. IT'S UNBREAKABLE AND IT'S SCARY AS HELL.

BUT IT MEANS NO-ONE CAN DO ALONE

GUIDED
BY THEIR
DESTRUCTIVE
INSTINCT AND
BLOOD-
THIRSTY INTU-
ITION...

UNCOURTEOUS
OTHER MONSTERS
FROM THE BRIGADE
WILL ALSO APPEAR
IN RICHMOND,
ATTRACTED BY THEIR
INSTINCTS JUST LIKE
HUMANOIDS. SLOWLY
THEY WILL GRADU-
ALLY COME TO-
GETHER.

THAT IS
THEir
PURPOSE OF
THE WHITE
BRIGADE.

BLAKE,
WE NEED TO
GET ABOVE
THE FLOOD!

IT'S
NOT
POSS-
IBLE!

DON'T BE STUBBORN!
IF IT CONTINUES TO
FLOOD, ARE YOU JUST
GOING TO STAY AND
DIE HERE OR WHAT?

WE ALREADY
LEFT OUR
HOMES, UNCLE
HUMPHREY'S WILL
RETURN!

WE'RE
NOT
COMING
BACK!

**HUMOOHAI
ABANDONED
US, JUST LIKE
THE OTHERS!**

**JUST ABOVE
THE DOCK...
WE DON'T HAVE
TO GO ANY
FARTHER.**

**NO! WE
CAN'T!**

**IT'S A CRUEL WORLD
ABOVE THE DOCK! WE
CAN'T LIVE UP THERE!**

ALRIGHT, BUT
WE STILL HAVE TO
CLIMB UPSTREAM
OF THE RIVER.
DOWNSTREAM
IS ALREADY
FLOODED.

LET'S GO!

FUNJI,
HURRY UP!

UNCLE
FURROO-
HAI.

MY
FATHER
TOLD ME...

... THAT I
SHOULD SAVE
MYSELF AS
SOON AS
SOMEONE
UNRAILS
MY SWORD.

HE ALSO
SAID THAT
I WILL
SEE YOUR
DEPARTURE.

HAN
KING ADOUCHAN
TOLD YOU A LOT
OF STORIES.

I HAVE THE
IMPRESSION
THAT YOU ARE
GOING TO UN-
SHEATH YOUR
SWORD TODAY
